

**NORTH COUNTRY COMMUNITY MENTAL HEALTH
NORTHERN AFFILIATION
ADMINISTRATIVE MANUAL**

CHAPTER: Affiliation Chapter 6
PROCEDURE NAME: Clinical Provider's Report Card Measures
PROCEDURE NUMBER: 6003

POLICY:
All Member Boards to develop Clinical Provider's Report Card Measures

PURPOSE:
To ensure coordination of functions in activities related to Clinical Provider's Report Card Measures.

- PROCEDURES:**
- I. Beginning April 1, 2001, Clinical Provider's Report Card measures will be a process whereby member Boards of NCCMH, Northern Affiliation are able to measure the performance of clinical providers in order to maintain the standards adopted by NCCMH, Northern Affiliation.
 - II. It is the responsibility of Member Boards to determine how evaluation of staff will occur and to ensure staff is performing to the standards as determined by NCCMH, Northern Affiliation. This responsibility includes any corrective actions or follow-up actions that may be necessary.
 - III. It is the responsibility of NCCMH, Northern Affiliation to know as the managing entity, the Member Boards are compliance with Clinical Provider's Report Card Measures. In certain circumstances, NCCMH, Northern Affiliation may perform compliance audits and require further proof directed at those providers and/or measures falling below base minimum thresholds as determined by NCCMH, Northern Affiliation.
