

**NORTH COUNTRY COMMUNITY MENTAL HEALTH
NORTHERN AFFILIATION
ADMINISTRATIVE MANUAL**

CHAPTER: Affiliation Chapter 2
PROCEDURE NAME: Person-Centered Planning
PROCEDURE NUMBER: 2002

POLICY:

Regardless of age, severity of disability, residential setting, or episode of care, all individual plans of services will be developed, and all services will be provided using person-centered processes.

PURPOSE:

In order to assure the consistent delivery of person-centered services across the service delivery system, the Northern Affiliation has formally adopted the MDCH Person-Centered Planning Revised Practice Guideline (January 2002). (Attached)
