

Supported Employment

New Codes

Career Planning/Discovery

1Y

1Y	Career planning/discovery	SFY2023 - Effective 1/1/23 but can be reported as early as 10/1/22.	For use with H2023 - This service is designed to be time-limited and target services for an individual who wishes to pursue individual competitive integrated employment or individual self-employment but for whom more information is needed to support a job search including employment interests, skills, or strengths. Career Planning and Discovery services will result in a written profile and employment effectively outlining such interests.
----	---------------------------	---	---

Job Development/Placement

2Y

2Y	Job Development/placement	SFY2023 - Effective 1/1/23 but can be reported as early as 101/22.	For use with H2023 - Job development supports achieving individual competitive integrated employment consistent with the individual's personal and career goals, as determined through Career Planning/Discovery and as identified in the Job Development plan that guides the delivery of this service intended to achieve individual competitive integrated employment. Job development is a time-limited service and may include customized employment. Specific, targeted strategies with timeframes, along with measurable, achievable, outcomes must be documented and tracked. It is necessary to evaluate the success of services at least every six months. Measurable evidence of need must be documented to continue this service beyond six months in a given year. May also utilize for career advancement.

Self Employed

~~3Y~~

3Y	Self employed	SFY2023 - Effective 1/1/23 but can be reported as early as 10/1/22.	For use with H2023 - Includes support to establish or maintain an IRS recognized self-employment business. Sustained paid self-employment that is home-based or conducted in an integrated community setting(s) where net income in relation to hours worked is equivalent to no less than the state's minimum wage, after a reasonable self-employment start-up period to be reviewed at six (6) and twelve (12) months and achieved in no longer than 24 months from start of business as shown by IRS Schedule SE (Form 1040).

Financial Planning

4Y

4Y	Financial planning	SFY2023 - Effective 1/1/23 but can be reported as early as 10/1/22.	For use with H2023 - Financial planning. This service is designed to inform the individual (family, guardian, or other party, if applicable) of opportunities to best ensure, encourage, and support that individualized competitive integrated employment is feasible, almost always provides more income, and most often health coverage is retained.
