UPDATED : 08/18/2025

A **provider** is any individual, network, or organization with whom we contract to work directly with our clients. Many of our providers are here in Northern Michigan, however, we also contract with organizations across the state to serve our communities.

This Provider Directory is available in paper form upon request. If you would like a paper copy, please contact the NCCMH Contract Manager at 231-439-1297. Please know that any request for a paper copy of this document will be provided at no charge to you and will be provided to you within 5 business days of your request.

This Provider Directory is updated within 30-days of any notification of changes from our Provider Network to ensure you are receiving current information. This e-version will be reviewed and updated monthly to ensure you are receiving current information.

If you have any questions or concerns about the NCCMH Provider Directory, please contact the NCCMH Contract Manager at 231-439-1297. Also, if you have any provider specific questions, you may contact the provider agency directly with the contact information provided for you within this directory.

This Provider Directory is available in alternative formats in accordance with the Americans with Disabilities Act (ADA). Oral interpretation is available for any language, written information is available in prevalent languages, and auxiliary aids, such as Teletypewriter/Text Telephone (TTY/TOY) and American Sign Language (ASL). These services are available upon request at no cost by call the toll-free phone number 989-362-8636 (TTY: Michigan Relay 7-1-1)
